Biophysical Society

57th Annual Meeting
February 2–6, 2013
Philadelphia, Pennsylvania

"Take One" Literature Table

Interested in placing information about your company and products on the Society's "Take One" Literature Table? Tables will be set up in the exhibit hall at the Society's Literature Booth, and attendees will have the opportunity to take any literature displayed there. The Society staff will set out and replenish materials as needed. For just $500 per 500 pieces you can give your company visibility at an event that draws thousands of attendees!

- You must send or fax a copy of the materials in advance for approval.
- Please ship your approved materials directly to show site. Shipping address will be provided once payment has been received.
- Schedule your materials to arrive on **January 17, 2013**.
- Your materials will be on display from February 2–6 or until they run out.

These tables will not be staffed so please do not send any materials that you do not want to give away. We are also unable to return any unused materials. Payment is due at the time that this form is submitted. For additional information, contact **exhibits@biophysics.org** or **240-290-5609**. Save your table space today!
