2012 Video Contest Sponsorship

The Biophysical Society (BPS) is hosting its first-ever video contest! The What is Biophysics? Video Contest will showcase entertaining and educational biophysics concepts and activities. The contest challenges all BPS members to make an original video, up to five (5) minutes long, illustrating what biophysics means to them. Whether it's through animation, song, or reenactment, they will share their interpretations of biophysics through the What is Biophysics? Video Contest. Prizes will be awarded to the first-, second-, and third-place winners, as well as to the video that wins The Member's Choice Award.

If you have any further questions please contact Marlene Mirman at exhibits@biophysics.org or 240-290-5609.
