

Biophysical Society 55th Annual Meeting
—Baltimore Convention Center, Baltimore, Maryland—
March 5–9, 2011

Undergraduate

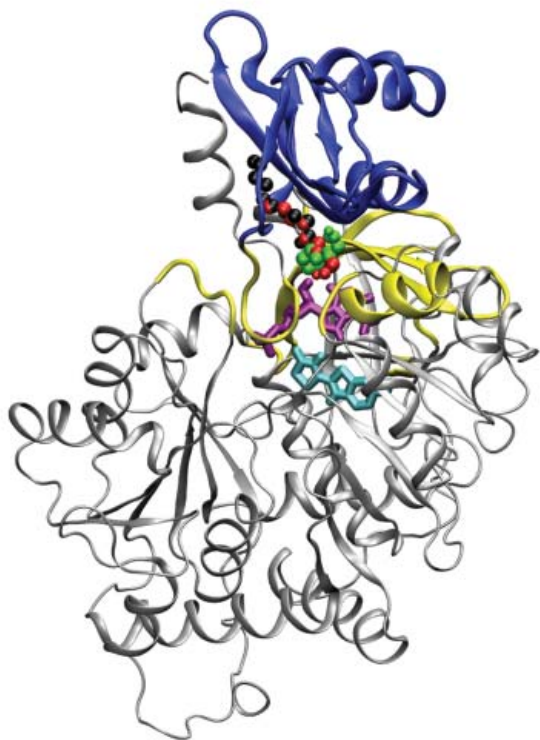

Student Symposium

Sunday, March 6 2011, 11:30 AM–1:00 PM

Don't miss this unique opportunity to attend the Annual Meeting of the Biophysical Society and learn all about biophysics!

SIGN-UP TODAY!

Local undergraduate students within a 75-mile radius of the The Baltimore Convention Center (who are not presenting posters) may register for this symposium and gain one-day FREE access to all scientific symposia, poster sessions, and exhibits. A special Graduate & Postdoc Institution Fair, highlighting graduate training programs and postdoc opportunities in biophysics at leading colleges and universities, will follow the Undergraduate Student Symposium.

David Dawson, Oregon Science University
Education Committee Chair and Symposium Organizer

11:30 AM
Opening Reception

12:00 PM
What is Biophysics?
Richard Ludescher, Rutgers University

12:30 PM
Emily M. Gray Award Lecture
Bertil Hille, University of Washington

1:00 PM
Graduate & Postdoc Institution Fair
Located in the Exhibit Hall

Don't delay, register today! Sign-up form on back.
