

Career Roundtable Luncheon

54th Annual Meeting/February 20–24, 2010/San Francisco, California

Sunday, February 21, 12:00 PM - 2:00 PM

The Moscone Center

This roundtable career luncheon, hosted by CPOW, is aimed at helping attendees, particularly those early in their careers, navigate the complex waters of a faculty-level research career. Popular topics include conflict resolution, how to establish a successful collaboration, where to look for alternative research funding, and how to select a good group of mentors for career development. Approximately one dozen established investigators with expertise in one or more of the discussion areas and a keen desire to mentor participate in this event. The luncheon begins with each table holding a roundtable discussion on a given topic. It ends with a representative from each table summarizing the responses to their particular topic, providing a forum for all participants to learn from each roundtable discussion.
