This question-and-answer luncheon is designed for postdocs finishing and actively applying for academic faculty positions. Discussion will be led by a panel of new faculty and recently tenured faculty in basic science and/or medical school departments and experienced senior-level faculty who have served as department chairs and/or part of faculty search committees. Topics for discussion include how to prepare the curriculum vitae, the interview process, how to negotiate the job offer, and advice for new faculty as they balance research with their department obligations.
