

BIOPHYSICAL SOCIETY “BEAUTY IN BIOPHYSICS” POSTDOC APPRECIATION WEEK IMAGE CONTEST

RULES AND REGULATIONS

This contest is limited to one image per person each year. To be eligible for consideration, applicants must:

1. Currently hold a postdoctoral position in biophysics or a related field.
2. Participants must be active BPS members at the time of submission.
3. Each participant may submit only one image per contest cycle.
4. Submitted images must not have won any BPS image contest in the past, including the “Art of Science” image contest at the BPS Annual Meeting.
5. Submitted images must not be offensive or derogatory. Any image that contains threatening, offensive, inappropriate, discriminatory, or libelous content will not be considered.
6. Submitted images must not be copyrighted or plagiarized, and they must not contain logos.

Submissions must include:

1. A high-resolution image in a standard digital format such as JPEG or PNG.
2. A short caption (maximum 150 words) describing the image's scientific context, acquisition method, and artistic interpretation.
3. A completed submission form verifying the participant's postdoctoral status and agreement to publication rights.
4. Images may be captured using any imaging technique relevant to biophysical research.
5. One photograph of the submitter to be used when crediting the image.

BPS reserves the right to deny applicants who misrepresent their eligibility or their image.
