

Cell Biophysics Subgroup 2018 Symposium

Saturday, February 17, 2018

San Francisco, California

10:00 AM- 12:00 PM

Esplanade Room 155

Organizing members: Julie Biteen, Jung-chi Liao, Keng-hui Lin, Antoine van Oijen, David Rueda, and Jie Xiao

10:00 AM Opening Remarks

10:05 AM Business Meeting

10:20 AM

Bianxiao Cui, Stanford University

Membrane Curvature and Curvature-sensing Proteins at the Nano-bio Interface

10:50 AM

Melike Lakadamyali, University of Pennsylvania

Visualizing Biology at the Nanoscale

11:20 AM

Rick Horwitz, Allen Institute for Cell Science

The Allen Institute for Cell Science – creating a high dimensional cellular “state space”

11:50 AM Closing Remarks

12:00 PM Adjournment
