

**Weak Protein-Ligand Interactions: New Horizons in Biophysics and Cell Biology**  
**Beijing, China, October 14-18, 2012**

**Sponsorship Opportunities**

- Bronze Sponsorship** **\$ 1,000**
- Recognition on Biophysical Society meeting website
  - Company listing in program book
- Silver Sponsorship** **\$ 2,500**
- Recognition on Biophysical Society meeting website
  - Company listing in program book
  - Recognition on all signage at the Meeting
  - Dedicated space on shared-display table located outside conference room for material distribution
- Gold Sponsorship** **\$ 5,000**
- Company logo on Biophysical Society meeting website
  - Company listing in program book
  - Recognition on all signage at the Meeting
  - Dedicated display table located outside conference room for material distribution
- Platinum Sponsorship** **\$ 10,000**
- Company logo/hyperlink on Biophysical Society meeting website
  - Company logo in program book
  - Full page color ad in program book
  - Recognition on all signage at the Meeting
  - Recognition in the Meeting opening and closing remarks
  - 1 complimentary Scientific registration
  - 1 complimentary exhibit booth
- Exhibit Space** **\$ 1,500**
- Pipe and draped 8' x 8' (2m x 2m) exhibit booth
  - One table and 2 chairs, electrical/lighting
  - Identification sign
  - 1 complimentary Scientific registration
  - Company listing in program book

**Yes, I am interested in**  **Sponsorship**  **Exhibiting**
